

Who killed  
director  
Fanny?

The **COVID-19** has arrived at the school Ceip  
Regina Violant in Almassora.

The **COVID-19** is a viral respiratory illness  
caused by a newly identified coronavirus that  
was discovered in late 2019 in China.

Because of the **COVID-19** the school has been closed and all the teachers of 3rd grade and the director Fanny have gone to the same house.

**But during the quarantine, there has been a murder...**
