

KABOOM RULES

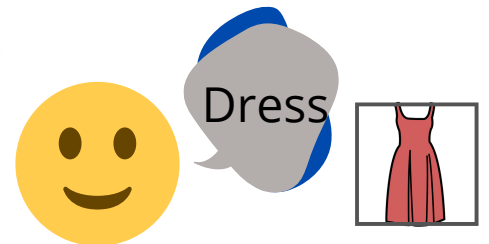

We put all the card outside down in the middle of the player.

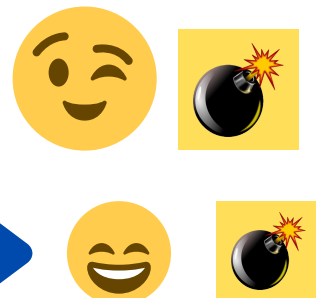

The youngest player starts playing taking one card.

Then, that player must say aloud the vocabulary word in English. If it's correct, the player keeps the card and it is the turn of the next player.

The next player takes another card and says the word aloud. If it's not correct, the next player tries to say the word.

If the last player says the word aloud correctly, keep this card and play again

If one player finds the card "Kaboom", lose all the cards and must leave them under the cards in the middle.
